Lane Plating- Conducted a public meeting on Nov 13. Meeting was attended by about 90 people including community groups, protesters, and press. A second meeting was requested by a Dallas city council member. This was attended by the CIC on Nov 29. A fact sheet and a FAQ sheet was produced. We are currently reviewing the CSM technical memo and the contractor is working on the sampling plan.

Star lake Canal- PRP is collecting data for DESR. Meeting with the PRP project manager to discuss ESD, permits, and the special account planned for Dec 11. RD workplan was approved last month. PRP submitted a revised schedule for review.
